WHY PARTNER WITH US

- **Experienced leadership.** Our founder brings 15+ years of media production and federal contractor experience, including Department of Defense support and work in highly structured government environments.
- **Direct owner oversight.** Clients work directly with the decision-maker, allowing faster communication, clear accountability and consistent attention from planning through completion.
- **Horticultural depth.** Our capabilities extend beyond routine maintenance to planting, plant sourcing, pruning, native and ornamental installations and habitat-focused landscape work.
- **Procurement ready.** 40 Day Communications is MDOT-certified and registered in eMMA, SAM and Supplier Gateway, making it easier for agencies and primes to identify and engage us.

HOW WE HELP

MAINTAIN & MANAGE

Grass cutting, bed maintenance, weed management, pruning/seasonal care.

INSTALL & ENHANCE

Planting, mulching, plant sourcing and habitat-focused improvements.

DOCUMENT & COMMUNICATE
